

SFRA Testing

Please try Yuansfer's functionality on your sandbox environment before you conduct it in the production environment.

Detailed installation and integration guidance can be found within the same folder.

Check Yuansfer documentation for any testing related information.
(<https://docs.yuansfer.com/api-reference-v3/sandbox-environment>).

Currently we are providing various digital wallet testing accounts, for testing Credit Cards, please contact Yuansfer Support for details. (<https://www.yuansfer.com/contact>)

All testing accounts and cards are for our sandbox testing environment and you can not use real Credit Cards for our testing environment.
